**It'll Be 23-Skidoo For Los Cancioneros**

Get set, all you music lovers! Saturday at 8:15 p.m. is the hour for you to remember. That's the time for the third annual concert of the award winning Los Cancioneros at Redondo High School auditorium.

As you may have already heard it noised around, half the concert will be devoted to a musical built around the roaring 20's. You'll hear again the songs that are all wrapped up in memories of racoon coats, cloche hats, ukas, and the Charleston. They've titled it "23 Skidoo," which seems appropriate enough, and you're guaranteed that the musical good times of the twenties will come to life again Saturday night. Admission is but a nominal buck-twenty, including "you-know-what," and tickets may be obtained at the door or by calling Mrs. William Beckman, FR 5-2782.

**Stolen Payroll Checks Appear In This Area**

Another warning to merchants concerning stolen payroll checks made out to Earl R. Harper Jr., who gives his address as 253 E. 228th St., was issued this week by Det. Sgt. Percy Bennett of the Torrance Police Dept.

Local personalities in the musical will include Bill Beckman as the promoter; Eliza Beckman as the beautiful Doll; Mildred Groven, the flapper; Arlis Wyatt, combo man and chorus. Pat Wyatt and Irene Burman are in charge of costumes as well as part of the chorus. Thorston Burman worked on the sets and will be a part of the chorus, while Ray Hole chairmanned the play and is in the chorus. Barbara Mabin will direct in the superb manner that has won awards. Hubby Tom is part of the combo band in "23 Skidoo" as well as singing in the chorus. Other Riverans in the Los Cancioneros chorus are Irene Roberts, Barbara Wallace, Nellie Hole, and Lora Lytle. Art Lytle will be featured on the piccolo, while Phyllis Bennett is not only part of the chorus but as incoming chairman of the group is helping handle the secretarial work and organization of the singing group.

Previous warnings that Harper was passing payroll checks stolen from McMahan's Furniture Co. were renewed by Sergeant Bennett when checks on the Sun-Ray Oil Corp. made out to Harper began appearing in this area.

Bennett said the checks were drawn on the Olympic and Flower Branch of the Security-First National Bank and were signed by E. Greene and T. F. Oliver as makers. The checks are for various amounts under \$100, Bennett said.

The McMahan checks were signed by an H. Neumann.

**Banks to Start Five-Day Week Next July 11**

Torrance banks will begin observing the Saturday closing policy on July 11, spokesmen for both the Bank of America and the Torrance National Bank said yesterday.

The other half of the Saturday evening program will consist of choral classics, negro spirituals, and traditional folk songs.

The new Monday-through-Friday banking hours are being established in accordance with a recent bill passed by the State Legislature and signed by the governor.

The Torrance Little League, off to a big start last weekend, roars on into its schedule. Thursday, June 25, is the date of the next game, Torrance Builders Giants vs. the Harvey Braves. Saturday the 27th will see the Lion Cubs face the Police Pirates, while Sunday, the 28th, will pair the Harvey Braves off against the Elks Cardinals. Sunday being a double header, the second game will be the Kiwanis Dodgers vs. Torrance Builders Giants. Tuesday, June 30, the league play will resume as the Giants face the Police Pirates. Wednesday, July 1, will find the Dodgers facing the Harvey Braves. All games will be played at the new Torrance Little League field. Plan now to give our Little League the support they truly deserve. Come out to the games; root the boys on!

Officials of both banks said yesterday that a schedule of hours which would permit the banks to remain open some evening during the week, probably Friday, was being studied.

**Truck Hits Girl, Injuries Slight**

A little girl was struck and slightly injured by a truck Sunday afternoon when she ran from behind an ice cream wagon into the path of the truck, according to police reports.

**Prices Slashed On 10 Carloads Of Clark Foods**

The girl, Adele Pacheco, 5, was taken to General Hospital with a slight cut on the lip. The truck, driven by Arthur Lugo, of 15202 San Pedro St., hit the girl in front of her home, 2117 W. 203rd St.

Ten carloads of fine food will go on sale at reduced prices at the Clark Super Markets from Thursday, June 25 to Sunday June 28, it was announced this week.

**Boy Who Asked Direction Loses Fishing Pole, Bike**

Mike stopped to ask directions from a man Tuesday on Hawthorne Blvd., near Torrance Blvd., and the stranger proceeded to take Michael's bicycle, his fishing tackle box, and a telescope fishing pole, he told police.

The management of the markets said that "recent direct purchases of ten carloads of fine food for our new Clark Market in Manhattan Beach have left us crowded for warehouse space, so we decided to make room by moving out this merchandise at prices that will mean many dollars saved for our customers. "We are always more than happy to pass on to our customers the price advantage gained by our direct carload buying power, and it will more than repay the folks who drive a few extra miles to take advantage of these gigantic food bargains," the Clark management announced.

The suspect was described as from 25 to 30 years old, with sandy hair, wearing blue jeans, and might possibly be riding a bicycle and carrying a fishing pole.

**Injured Steelworkers Still in Hospital Here**

Still hospitalized although reported recovering "nicely" are two Columbia Steel Co. workers who were severely burned in a slag blast at the plant last Saturday morning.
